The video player displays a black and white photograph of three men sitting outdoors. From left to right: a man in a dark shirt, an older man with glasses in a dark shirt, and a man in a light-colored button-down shirt. Below the photo, the title "Goatherders" is centered. At the bottom of the player, there are standard YouTube controls: a play button, a forward button, a volume icon, and the time "0:35 / 3:13". To the right of the time are icons for settings ("HD"), a square (likely full screen), and a double square (likely exit full screen). The entire video player is set against a dark background.
